

Hand-drawn survey sketch of a road layout. The sketch shows a horizontal line representing the road. On the left, a circle with a dot is labeled "NW Cor. 0.2. 62". A dimension line above the road indicates a distance of 255.66'. In the middle, a vertical line crosses the road, with a north arrow pointing upwards. To the right of the intersection, the road is labeled "S. R. / W High St.". On the far right, another circle with a dot is labeled "NW Cor. Lot 6 Yates Add.". A dimension line above the road indicates a distance of 191.0' from the intersection to the second corner.

Scale 1" = 60'
