

LOCATED IN SW 1/4, SW 1/4
SEC #18 T 7N, R 1E
FLORENCE TWP., WILLIAMS CO., O
OWNER- FLEGAL

The survey map shows Section 18, a 360-acre tract, divided into four 90-acre quadrants. A 5.000A tract is located in the center, bounded by the following measurements:

- North: $N 90^{\circ} 00' E$, 350.00
- East: $S 0^{\circ} 00' E$, 622.34
- South: $S 90^{\circ} 00' W$, 350.00
- West: $N 0^{\circ} 00' W$, 622.34

The 5.000A tract is further divided into four 30.00-acre parcels, each with a center point marked with a dot and the number 3. The parcels are separated by 30.00-foot distances. The 5.000A tract is also bounded by 592.34-foot distances on the north and south sides.

Adjacent sections and features include:

- Section 17 to the west, with a boundary line labeled "W. LINE SEC#18".
- Section 19 to the east, with a boundary line labeled "E. LINE SEC#18".
- Section 2 to the south, with a boundary line labeled "S. LINE SEC#18".
- A "S. R. #34" (State Route 34) crossing the south boundary of Section 18.
- The "SE CORN SE 1/4" (Southeast Corner of the Southeast Quarter) is marked at the intersection of the south boundary and the east boundary.
- The "SW CORN" (Southwest Corner) is marked at the intersection of the west boundary and the south boundary.

- 1) Fd. Pin
- 2) Fd. Pin Over Stone
- 3) Place $\frac{5}{8}$ " Pin

"All dimensions are shown in feet and decimal parts thereof. Dimensions on curves are cord measurements." This survey has been recorded in Vol. 10R, Page 158 of the Williams County Record of Surveys."
